**Old Business**

No old business.

**New Business**

VanLanduyt gave a report on the transmission on brush truck 1803. During the last snow storm while plowing, the operator found the transmission would go into reverse, but the vehicle would not move. Manning Ford reported that the transmission was shot and that it was out of warranty with 2,072 miles. The vehicle is four years old and only carried a 3 year, 30,000 mile warranty. Manning wanted \$4,500 for a new transmission with a 3 year warranty; Mr. Transmission in Sycamore could rebuild the old transmission with improvements, including a shift kit, and a 2 year warranty for \$2,100. We went with the Mr. Transmission option.

There was a lengthy discussion regarding department response procedures.

There being no other business, the meeting was adjourned at 7:45PM.
